**3. Previous meeting;** The Chair opened by stating that the reason for this meeting was to allow the Management Committee to discuss and reflect on the events of the previous Full Members Public Meeting. The previous meeting led the way to us being distracted from our normal business. Discussion around the members showed that there was a fair amount of negative feedback from those members present and there was a need for us to regroup and move forward on the Sports Council's agenda. The Chair further reported that approaches have been made from the other 2 Sports Councils in Fife to have a meeting with Steve Grimmond, Head of Community Services, Fife Council.

The Fife Council Link Officer stated that there was a need to bring things back to the Sports Council's Aims & Objectives. She handed out Membership Application Forms and emphasised most strongly, the need for the Committee to get out and about promoting the Sports Council and distribute the application forms widely.

Discussion ensued on the way forward and it was agreed that each Committee Member take 5 application forms and attempt to get 5 sports clubs each affiliated.
